

Tree Planting Ceremony Set For Saturday

Final plans for the Arbor Day program to be held in the Walteria Park, Saturday, March 7, at 11 a.m., were announced today by Nate Gordon, president of the Walteria Businessmen's Club.

The picnic area in the park, bordered by 242nd st. and Ocean ave., has been selected as the site of the festivities and tree planting exercises.

Gordon announced that Mayor M. M. Schwab, as well as several other important city officials, will be present. Mayor Schwab will

accept the tree for the city. Loring L. Bigelow, local nurseryman, and also a member of the club, will be the main speaker. Bigelow is well qualified to present this program as he is a State Director of the California Association of Nurserymen, and past president of the Centinela Chapter, Gordon said.

The tree that has been selected for planting in the park is a Mexican or Shamel Ash—Fraxinus uhdei. This tree was chosen for its many outstanding characteristics

such as rapid growing habit, hardness, symmetrical lines and maturing height.

In the event of rain, exercises will be postponed one week, Gordon concluded.

DISEASE

The house fly can spread disease for from 30 to 60 days. For information on ending this menace write to the Los Angeles County Health Department, 241 No. Figueroa, Los Angeles 12.

Woman Hurt In Collision

Minor injuries to her left leg were sustained by Miss Jean Zagala, 20, of 25316 Eshelman ave., Lomita, when the car in which she was a passenger collided with a dump truck and trailer at Carson st. and Western ave. last Saturday.

She was riding in an automobile driven by Mrs. Lucille Hill, 27, of 1511 W. 257th st., Harbor City, who was not injured. Miss Zagala was treated at Wilmington Emergency Hospital.

Driver of the truck was Gwenn Carver, 27, of Norwalk, who was uninjured.

GUEST ARTIST—Miss Janice Moudry, famous mezzo-soprano, will appear on the stage of Torrance High School auditorium next Monday evening, at 8:15 p.m. Her appearance here marks the end of the Community Concert series in Torrance.

Slate Final Concert in Series Here

When mezzo-soprano Janice Moudry gave a New York recital at Town Hall on Oct. 27, 1951, the New York Times advised: "Keep your eyes on this young singer. She has a voice of beauty and enough intelligence, human sentiment and musical instinct to carry her into the first rank."

Torrance music lovers will have an opportunity to hear Miss Moudry in a recital next Monday evening, at 8:15 p.m., in Torrance High School auditorium.

The appearance of this lovely singer marks the close of the 1952-53 Community Concert series here. Pianist Jesus Maria Sanroma and the de Paur Infantry Chorus were heard in recitals here earlier in the season.

Plans are under way now to arrange for a similar series of concerts for next year, according to Mrs. Edward Schwartz, general chairman of this year's concert program.

USELESS!

Flies are one of the few forms of animal life which serve no useful function on earth. For free pamphlets on fly control write to the Los Angeles County Health Department, 241 No. Figueroa, Los Angeles 12.

Chamber to Discuss Extension of Arlington

The regular monthly Chamber of Commerce Board of Directors meeting will be held at the Chamber headquarters on March 9th at 4 P.M.

Among the items listed on the agenda for consideration will be a discussion on the proposed extension of Arlington Ave. and the Delano Chamber of Commerce proposal for the creation of a new division of architecture within the State Dept. of Education, according to Dale Isenberg, executive secretary. Committee reports will be forthcoming from Don Armstrong, chairman of the Citizen Award Committee and J. H. Paget, chairman of the Special Parking Committee.

Correction

Owing to circumstances beyond our control, an inaccurate story appeared in this newspaper last week reporting a marriage between Miss Carol Weeten and Montie Darling.

The incident reported did not occur, and Miss Weeten is still single at home with her parents. Mr. Darling, similarly, is still single and living with his grandmother here.

President Robert Plomert stated "The Board of Director meetings are always open to Chamber members and interested citizens who might wish to attend. It is by this method that your Chamber Board of Directors can better serve the community and its citizens."
